## Daily Security Report

### National

- "Pakistan is poised for an economic takeoff," Prime Minister Nawaz Sharif said at the inauguration ceremony of the Havelian-Thakot Motorway section in Mansehra. The 120-kilometre section of the motorway, part of China Pakistan Economic Corridor (CPEC), is expected to be completed in 42 months with a cost of Rs133.98 billion. China Exim bank will fund 90 per cent of the project, while the remainder will be funded by Pakistan.
- Yavar Jamalov, Minister of Defence Industry of Azerbaijan, who is on an official visit to Pakistan, called on General Rashad Mahmood, Chairman Joint Chiefs of Staff Committee at Joint Staff Headquarters, Rawalpindi.

### International

- The United States (US) administration is withholding funds earmarked for Pakistan's purchase of eight F-16 fighter jets, BBC Urdu reported, citing an unnamed senior US State Department official. The State Department official told BBC Urdu on condition of anonymity that the Obama administration is still willing to sell the fighter jets to Pakistan, but will not contribute US funds towards the deal.
- An Australian woman working for a charity in Afghanistan has been kidnapped, the country's foreign minister said. Julie Bishop said Canberra was working to secure the release of Katherine Jane Wilson, but insisted Australia does not pay ransoms for hostages.
- The Turkish military returned fire on Islamic State positions in northern Syria, killing 11 members of the militant group, military officials said.
- Italian police issued arrest warrants for six people suspected of conspiring to join the militant Islamic State, and court documents said three of them had been discussing possible attacks on the Vatican and the Israeli embassy in Rome.
- Captain Kristen Griest became the United States (US) Army's first female infantry officer this week, the Army said, in a milestone for the US military as it opens up combat roles for women.
