Daily Security Report

National

- Pakistan is looking to hire lobbying firms in Washington after a gap of nearly eight years, seeking to refurbish its image in the United States at a time of deteriorating relations between the allies, two government officials told *Reuters*.
- Addressing a press conference on the two-year anniversary of Operation Zarb-i-Azb, Director General Inter-Services Public Relations Lieutenant General Asim Bajwa presented major achievements of the operation so far – listing progress made on various fronts.
- Pakistan's benchmark index jumped as much as 3 per cent in early trade, climbing to a record high after the country's stock market was reclassified overnight and included in the MSCI's emerging market index category. The index recorded its biggest single-day gain since March 31, 2015, and is one of Asia's best performers this year.

Today's Highlights

- **DG ISPR presented achievements of operation Zarb-i-Azb in a press conference on two-year anniversary of operation**
- **It apparently looked that neighbouring country Afghanistan is playing into other's hands: Interior Minister**
- **Pakistan's stock market included in MSCI's emerging market index category**

Islamabad

- Reacting to Sunday night's unprovoked firing by Afghan security forces at the Torkham border, Interior Minister Chaudhry Nisar Ali Khan said it apparently looked that the neighbouring country was playing into other's hands.
- Federal Minister for Petroleum and Natural Resources, Shahid Khaqan Abbasi met his Tajik counterpart Usmanoli Uzmonzada in Islamabad. Both the Ministers discussed issues of mutual interest and vowed for increased cooperation in the field of energy in future.
